Dear Wife I hope that you
are well the family are well &
have been sick since I saw
you last but I am better now
I have some strange news to
tell you but I hope you will not
let it trouble your mind but ab
it be true you and he are in a
bad fix Brother William Clayton
from Salt Lake City preached
last Sunday at the Ward house
West Jordan in his remarks he
brought up the divorce women
he said that any man that
took a woman that had been
sealed to another man and yet
her sealed to him and live with
her that he and shee are living
in Adultery in the best degree
and the man will not come
forth in the first Resurrection
but will lose his posterity and
be Damned with the whole
Monger and Adulter.

and that the Woman will
Be Damned and not Come
forth in the first Resurrection
and ~~in~~ When she do Come forth
she will have to go to her
first husband not to Be
his Wife But a Concubine

if he Brought forth Chapter
and verse to prove the truth
of his remarks and the Most
of the people here Believe it
is true But I hope it will
Soon Come to the Ears of the
Authorities of the Church that
such doctrine might Be
Stoped or if it Be true that
it might Be Made known to
us by the Men in authority that
Adultery might Be Stoped in
Israel there was no Exceptions
Made about the Womans
former passion or ill treatment
or any thing But he says
he know it to be true

You can show this to who
you please

I remaine your
Abbonate husband

James Glover
